As an **Associate website developer Intern**, it gives us great pleasure and excitement to welcome you to Nuevera Infotech Pvt Ltd. At Nuevera, we take pleasure in employing only those individuals who are prepared to make the most of their time and do the best for society. We think that our staff is our greatest strength. We are certain that you will contribute significantly to the venture's overall success. We hope you have the most delightful, educationally rich, and profoundly impactful internship at Nuevera Infotech.

The terms and conditions listed in "**Annexure-A**" will apply to your appointment. We anticipate having you join us. Please don't be afraid to contact us again if you want further details.

Congratulations!

Hemanth Niranjan
(Managing Director and CEO)

Annexure A

During your internship at **Nuevera Infotech**, you will be bound by the following terms and conditions of service, which may be updated from time to time.

You have been hired as an **Associate website developer Intern**, and during your internship, Tejas Devrukhkar, CTO of Nuevera Infotech Pvt Ltd., will be your supervisor.

Responsibilities and roles

Your start date is **Associate website developer** and the internship will last **03 months**. You are required to focus all of your time and energy on Nuevera infotech tasks during this period. In order for your work to be scheduled appropriately, you must also inform your mentor in advance of any upcoming activities (if there are any).

The hours you work will be flexible. Your mentor and you will schedule regular conversations and meetings to go over the status of your work and your overall internship experience.

You are not allowed to share company Intellectual properties outside the company, if it is found out there will be consequences and you will be terminated by the company without notice.

We take data privacy and security extremely seriously, and it is your obligation to safeguard the privacy of any student, customer, client, or company information to which you may have access while serving as an intern. You are required to give your mentor all the Nuevera work and data kept on your personal computer and to erase it once the internship is over.

When dealing with your mentor, team members, colleagues, clients, and customers, you are required to act with the utmost professionalism and treat everyone with respect.

You should anticipate receiving regular, honest feedback from your mentor and the other team members. We invite you to solicit and offer feedback whenever appropriate. You have the right to both give and accept feedback, as this is the only way for all of us to always push ourselves to improve.

I agree to the appointment and accept the above terms and conditions of service.
Enjoy what you do and follow ethical principles.

YOU WILL GET YOUR COMPLETION CERTIFICATES AFTER YOU HAVE DONE ALL YOUR DUE DILIGENCE GIVE BY THE COMPANY

Sincerely,
Hemanth Niranjana
